How often updated?	Constantly		
Scope of information available?	Will refer only to Doctor's that are members. Statewide medical centers, specialty, name, phone location (some missing street address), many specialists from in community links are not listed.	Nationwide physician and dentist finder. Can search by specialty and zip code up to 50 miles. Ex: pediatrics and my zip gave name, address phone, fax. Missing a lot of Doctors that are on community-links, does not list physicians by pediatric subspecialties.	State, city, zip, specialty, gender, many do not have address, phone, fax. Some fields do not work
Other comments	Physicians have to pay to be listed Lists just name, address and phone numbers. Other fields are not filled in	If used often need to become a member. Not much info. Many do not even have phone numbers listed	Not very much information. Not by practices and just mostly address and phone numbers
